

Introducing

<http://NorthernMoor.Org>

the community website for Northern Moor

**NorthernMoor.Org is a new community-owned Website –
the content is generated by, and intended for,
members of the local community.**

Add your group

The site includes a list of community groups and organisations. If you represent a group / club / church / school / organisation / society, add your details to the list, so that local people can contact you.

Publicise your group's activities

NorthernMoor.Org includes a “what's on” diary. If you would like to see more people at your group's activities, add them to the diary. Don't let anyone say, “there's nothing to do!”

Spread the news!

If your group or organisation is in the news, or anything news-worthy happens to it, you can write a news article on the site, so local people can find out what's happening.

Air your views...

The site includes a “forum”, where you can take part in discussions about local issues. Add your 2p worth to an existing discussion, or start your own.

If you want to start a new club, post a message to see who else would be interested.

Blog your musings

Share your thoughts with the world – or at least with your neighbours! Add a blog for your organisation, or just for your personal thoughts.

Sign up to take part

NorthernMoor.Org is entirely driven by its users – just go to the site and create an account for yourself. Follow the instructions to create your content. *If you think someone else in your organisation should know about the site, please give this sheet to them!*

Help is at hand

The site is hosted by local business **Delta Lights**. If you need help, or you want to do something more creative on the site, email admin@northernmoor.org or phone Tim on 0161 613 0373.
